Task 1

Build the decision tree and random forest from the given data set

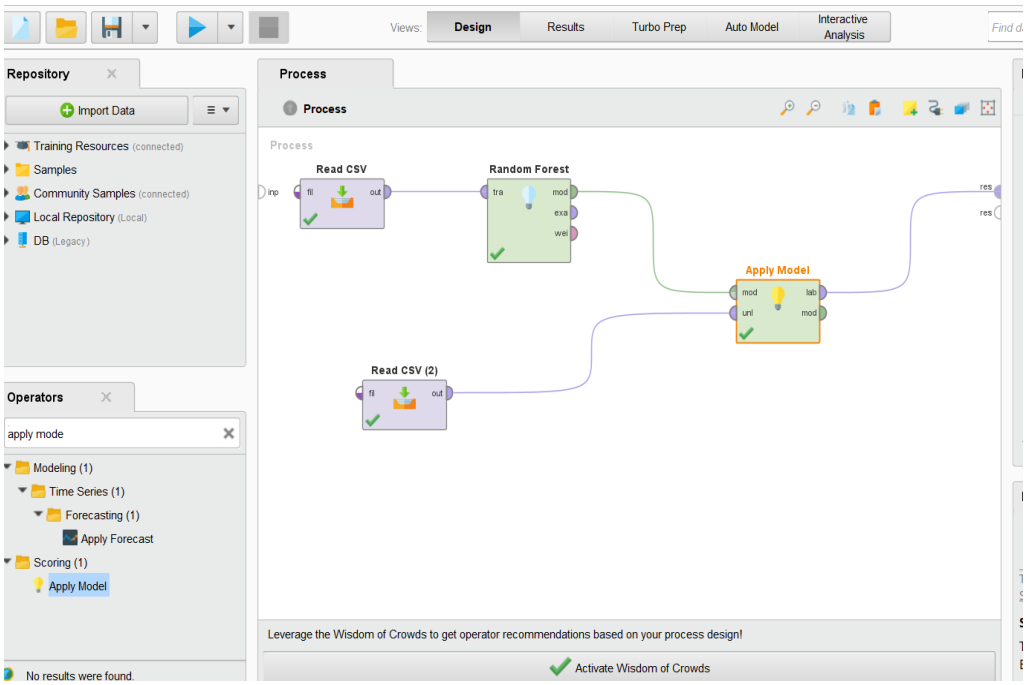

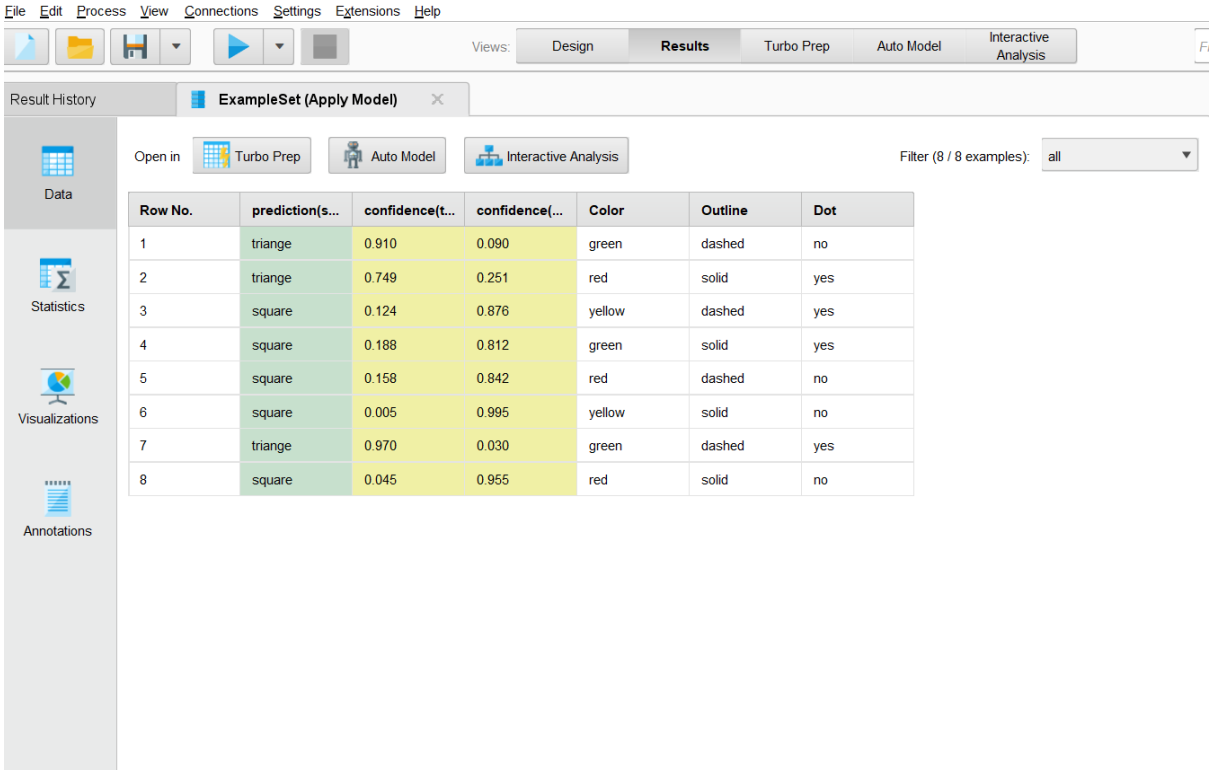

Task 2

Use the random forest to predict the shape .

Row No.	prediction(s...	confidence(t...	confidence(...	Color	Outline	Dot
1	triange	0.910	0.090	green	dashed	no
2	triange	0.749	0.251	red	solid	yes
3	square	0.124	0.876	yellow	dashed	yes
4	square	0.188	0.812	green	solid	yes
5	square	0.158	0.842	red	dashed	no
6	square	0.005	0.995	yellow	solid	no
7	triange	0.970	0.030	green	dashed	yes
8	square	0.045	0.955	red	solid	no
